_____

Yes, there is a possibility to style a Lavender Suit according to the occasion with respect to its fabric, embroidery, and accessories. Suits that are more lightweight suit well for day-time functions, whereas suits that have embroidery on them can make an elegant outfit for a night function. You can add pearl or silver jewelry, embroidered juttis, and a handbag to complete the look. There are carefully thought of designs available at Gulbhahar for all such occasions like weddings, festivities, and family functions.
