_____

Triund Trek Distance from Dharamkot or McLeod Ganj is around 9 kilometers, making it an ideal trekking destination for weekend travelers and beginners. The route features scenic landscapes, mountain trails, and panoramic views of the Dhauladhar mountain range throughout the journey. Trekkers usually complete the trek within a single day while enjoying the peaceful Himalayan atmosphere. Explore Hills organizes affordable Triund Trek tours with professional guides, comfortable camping arrangements, and proper trekking support. The manageable trekking distance and breathtaking beauty make Triund Trek one of the most visited adventure destinations in Himachal Pradesh.
