How Can I Get a Cunard Cruise Upgrade Room?

Autor: Cruises fares - 2026/10/07 14:48

Wondering how to get a Cunard cruise upgrade room after booking? Eligible Cunard guests may receive an invitation to participate in the Cunard Upgrade Programme, where they can submit an offer for a higher stateroom grade. The programme is available only on selected cruises and to selected guests, and an upgrade is not guaranteed. If your offer is accepted, Cunard will automatically assign an upgraded stateroom and charge the accepted offer amount. For assistance with your cruise upgrade, call +1-888-653-0010.
