What Is the Dress Code on Saga Cruises?

Autor: Cruises fares - 2026/11/04 10:48

Wondering what to wear during your holiday? The saga cruises dress code is generally relaxed during the day, while smart evening attire is recommended from 6 pm. For dinner, women can choose a smart dress or an elegant blouse with trousers or a skirt, while men can wear a smart open-neck shirt and trousers. Jackets are optional, and casual items such as T-shirts, polo shirts, shorts, and denim should be kept for daytime.
