What age for a Princess cruise senior discount?

Wondering what age qualifies for a Princess cruise senior discount? Unlike some cruise companies, Princess Cruises does not publish a standard age-based senior discount with a fixed eligibility age. Although many cruise promotions in the industry use 55 as the senior age threshold, this does not guarantee a special rate on Princess sailings. Check the available fares and promotional conditions for your selected voyage. For help comparing current Princess Cruises senior discount options, call +1-888-653-0010.
